# MERCURY RETROGRADE

*November 24 – December 13*

**SYNOPSIS;** The Mercury Retrograde in November and December 2011, has three major phases with the actual retrograde occurring from November 24<sup>th</sup> through December 13<sup>th</sup>. The different phases create the cosmic course correction that you experience that changes and adjusts your attitude, information, direction and pursuits. The theme for the November/December Mercury retrograde centers around plans, goals, aspirations and pursuits. You will have additional information that will change your plans, providing you reasons to adjust your goals and aspirations. Many situations and events come into play with this Mercury retrograde that will point you into new and different directions. The influx of information begins November 4<sup>th</sup> and increases, giving you reasons to revise and rethink your direction. This Mercury retrograde sets the stage for the transitions that you will experience as you move out of 2011 and prepare to move into 2012, emphasizing the major thrust of change, breakthrough and freedom as the new environment on the horizon. The journey through this retrograde determines your inner and outer alignment as philosophy, motives and beliefs determine the choices made and the paths that come into visibility during this retrograde.
